Welcome to Preserve South Dakota!

Our goal is to be a strong advocate for historic preservation and provide a range of educational programs and services designed to protect and preserve South Dakota's historic treasures. For over 30 years, Preserve South Dakota has been effective at championing historic preservation in all corners of our state.

Our "Friends" program recognizes those who annually contribute up to \$200 for the ongoing advocacy of our preservation efforts. Your donation will provide funds for educational programs, office operation preservation alerts, and ongoing advocacy. Additionally you will receive:

- "Preservation Advocate" newsletter full of technical information, local, state, and national preservation news.
- Alerts on key preservation issues and activities.
- A voice in Congress and state legislature with issues concerning preservation.
- Information and assistance with National Register of Historic Places nominations.
- Assistance in formulating preservation easements.
- Information on federal and state tax incentives.
- Support for a strong preservation organization in your community.
- Assistance with grants and low interest loans.
- Assistance with restoration and renovation questions.
- **Most importantly, the satisfaction that you are supporting preservation advocacy in South Dakota.**
